

A registered charity

Royal Society for the Prevention of Cruelty to Animals

Essex South & Southend Branch

£25 first prize and £10 second prize - every month !

The '100' Club works rather like a raffle, but each ticket sold is valid for a whole year. Tickets cost £10 each and two winning tickets are drawn every month. This means that each ticket has 24 chances of being drawn. The draw takes place at the monthly RSPCA committee meetings, and the winner's cheque will be sent out the same week. All winners will be announced in the branch newsletter, and at our charity shops. Anyone can join the club and there is no limit to the number of tickets an individual can buy. 100 members and £420 given in prize money £580 will be raised for the Essex South & Southend Branch, so the more people taking part, the more money we can raise! All RSPCA Branches are self-funding, so we have to raise every penny we need to pay for the veterinary bills and boarding costs of the animals in our care until they are ready to be rehomed.

Reg.Charity.No - 208538

Application to join Essex South & Southend branch.

I wish to apply for..... '100' club tickets @ £10 per ticket, and enclose cheque or postal order for £..... Payable to RSPCA Essex South & Southend Branch.
